RE: FEC Year-End Report, Amended Form 3

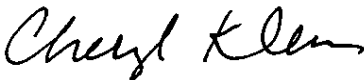

Enclosed is an amended Form 3 Year-End report for BUCK FOR COLORADO, Republican for the U.S. Senate, Colorado.

In the week before pulling the final report, which was sent January 29, 2010, a January 19, 2010 contribution for \$20.00 was inadvertently entered into the campaign software as 01/19/09.

Even though we didn't receive any contributions until the 2nd Quarter in 2009, the software automatically pulled ALL contributions dated 2009 into the "Total Contributions To Date" field. The mistake wasn't discovered until after the Year-End report was printed and filed. It did not affect anything in the 4th Quarter activity, and it did not affect the Cash on Hand at the end of the report. (The software requires the Cash on Hand at the BEGINNING of the period to be entered manually.)

Attached is a sheet showing the numbers that changed on the amended report. Thanks for your assistance.

Sincerely,

Cheryl Klein
